

20th February 2024

Dear Primary School Students,

RE: World Book Day

We hope this letter finds you well and you are excited to start secondary school in September. Wherever you end up going to school, we wanted to reach out to you today to make our first contact. At Bexhill Academy, we believe in the immense value of reading and we are dedicated to providing a nurturing and inclusive learning environment for our students. This may now include you too!

We are excited to announce that we will be celebrating World Book Week here at Bexhill Academy W/B 4th March 2024! This is a special time when we immerse ourselves in the wonderful world of books and encourage a love for reading among our students.

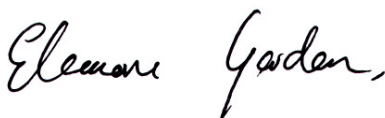

To make this event truly memorable, we have planned some exciting activities for you. Each morning during World Book Week, we will be sending a video clip featuring one of our talented students reading an extract from the beloved Roald Dahl book, "Charlie and the Chocolate Factory". This will not only engage and inspire you but also encourage you to explore the magical world of reading.

In addition, we are thrilled to inform you that we will be hosting a "Wonka! Cinema Night" as part of our World Book Week celebration. This will be a fantastic opportunity for families to come together as a community and enjoy a movie night inspired by the enchanting story of Charlie and the Chocolate Factory. We hope to see as many of you there as possible, as it promises to be an evening filled with fun, laughter, and lots of chocolate. (See invite attached.) Follow the QR Code below to sign up to this evening.

We encourage you to continue your reading journey at home by reading with loved ones, accessing a wide range of books from local libraries, and engaging in meaningful conversations about literature. You are the next generation of Bexhill-on-Sea and we hope to inspire you to be avid readers and lifelong learners.

We look forward to welcoming you into our community and continuing to foster your love for reading and learning.

Best Bookworm Wishes,

Ms. Eleanore Gordon
Senior Deputy Headteacher
