For Bexhill Academy

This policy was reviewed September 2023
This policy is due for review on September 2024

Supporting School Value: FOCUSED

At Bexhill Academy we have 3 main values that underpin our values in school.

- Respect
- Be Brilliant
- Be the Best You

In order to achieve our goal, it is imperative that students actively support our value of being **FOCUSED**. We are proud of our uniform. Our uniform represents our five houses and year groups which have a focus of **aspirational** universities. All students being in correct uniform demonstrates high expectations and standards.

Students and parents have been informed of the expectations for uniform and a copy appears on our website. Reminders are communicated to parents and carers to re-enforce our high expectations on uniform.

Members of the SLT along with members of our Pastoral teams will be on duty every morning to address uniform issues. Students will not be allowed in the building if they are not in correct uniform. If uniform is borrowed then a deposit will be given which will be returned at the end of the day when the uniform is handed back to students services. All deposits will be kept in the school safe. Where possible if students have incorrect uniform the Pastoral Manager team may contact home, and if appropriate students will be sent home to correct their uniform. Students can wear a coat to school, but this must be taken off when entering the building.

The Academy's uniform comprises of the following items:
