Purpose of the policy

The centre is committed to ensuring that the examinations/assessments management and administration process is run effectively and efficiently and in compliance with the published JCQ regulations and awarding body requirements.

This policy will ensure that:

- all aspects of the centre's process is documented, supporting the centre's contingency plan, and other relevant exams-related policies and procedures are signposted to
- the workforce is well informed and supported
- all centre staff involved in the process clearly understand their roles and responsibilities
- all exams and assessments are conducted according to JCQ and awarding body regulations, guidance and instructions, thus maintaining the integrity and security of the examination/assessment system at all times
- exam candidates understand the process and what is expected of them

This policy is reviewed annually to ensure ways of working in the centre are accurately reflected and that exams and assessments are conducted to current JCQ (and awarding body) regulations, instructions and guidance.

This policy will be communicated to all relevant centre staff.

Exam staff are made aware of the policy file which is located above the Exams Officer desk. Copies are added to the school website for all candidates, parents and carers to read.

Roles and responsibilities overview

(GR 2)

The **head of centre** is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements to ensure the security and integrity of the examinations/ assessments. This individual must have the authority to deploy the necessary resources to ensure that the centre is always compliant in meeting published JCQ regulations and awarding body requirements.

The examinations officer is the person appointed by the head of centre to act on behalf of, and be the main point of contact for, the centre in matters relating to the general administration of awarding body examinations and assessments.

The head of centre must not normally appoint themselves as the examinations officer. A head of centre and an examinations officer are two distinct and separate roles.

The head of centre and/or examinations officer may operate across more than one centre. In such cases the head of centre must ensure there is suitable senior leadership team support in place, so they can meet their obligations across all centres for which they are responsible. The head of centre must ensure that these arrangements are covered by their examination contingency plan.

Head of centre responsibilities

(GR 1)

Heads of centre must ensure that senior leadership teams and exam office personnel familiarise themselves with the entire contents of the current General Regulations for Approved Centres (GR) booklet. In particular, heads of centre must familiarise themselves with paragraphs 5.1, 5.3 and 5.4.

Heads of centre must ensure that relevant members of staff respond promptly to actions raised by the JCQ Centre Inspection Service. Failure to do so could result in the centre not receiving or being able to access question papers and other confidential assessment materials. Ultimately, awarding bodies could withdraw approval of the centre.

Heads of centre must ensure that relevant members of staff respond promptly to requests for information from awarding bodies relating to the administration and conducting of examinations/assessments.

(ICE Introduction) **It is the responsibility of the head of centre to ensure that all staff comply with the instructions in the** Instructions for conducting examinations **document.** Failure to do so may constitute

malpractice as defined in the JCQ document Suspected Malpractice: Policies and Procedures, 1 September 2024 to 31 August 2025.

(GR 5.1)

The head of centre must ensure:

- compliance with the published JCQ regulations and awarding body requirements to deliver the qualification(s)
- appropriate controls are in place which ensure accurate data is submitted to the awarding bodies by the required deadlines, e.g. entries, internally assessed marks
- all reasonable steps are taken to respond promptly to requests for information or documentation made by an awarding body or regulatory authority

Head of centre

- Understands the contents, refers to and directs relevant centre staff to annually updated JCQ documents including:
 - General Regulations for Approved Centres (GR)
 - Instructions for conducting examinations (ICE)
 - Access Arrangements and Reasonable Adjustments (AARA)
 - Suspected Malpractice - Policies and Procedures (SMPP)
 - Instructions for conducting coursework (ICC)
 - Instructions for conducting non-examination assessments (NEA)
 - A guide to the special consideration process (SC)
- Ensures the centre has appropriate accommodation to support the size of the cohorts being taught including appropriate accommodation for candidates requiring access arrangements and/or practical assessments
- Where/if using a third party to deliver any part of a qualification (including its assessments) at the centre:
 - maintains oversight of, and responsibility for, the delivery of the qualification in accordance with JCQ regulations and awarding body requirements
 - has in place a written agreement with the third party (unless exclusions apply) to ensure there is a shared understanding of the arrangement and will manage the risk of failure by the third party to deliver the expected service
 - ensures that a copy of the written agreement is available for inspection if requested by the awarding body
- Ensures that relevant members of staff respond promptly to actions raised by the JCQ Centre Inspection Service, understanding that failure to do so could result in penalties (see **National Centre Number Register and other information requirements** section)
- Ensures that the centre promptly reports any incidents to the relevant awarding body/bodies which might compromise any aspect of assessment delivery, such as a cyber-attack
- Ensures members of centre staff do not forward emails and letters from awarding body or JCQ personnel without prior consent to third parties or upload such correspondence onto social media sites and applications (including third party applications)
- Ensures members of centre staff do not advise parents/candidates to contact awarding bodies/JCQ directly nor provide them with the names, addresses and contact details (including email addresses) of examiners, moderators, external verifiers and any other awarding body examining/assessment personnel/JCQ personnel

Resilience and contingency arrangements

(GR 3.16-19)

The centre must ensure they are familiar with the regulators' guidance on ensuring resilience in the qualifications system. Centres should consider putting in place a process for gathering evidence of candidate performance in line with the published guidance.

The centre must have an up to date written contingency plan.

The contingency plan must cover all aspects of examination/assessment administration and delivery. Senior leaders must have robust contingency arrangements in place that will minimise the risk to examination/assessment administration and delivery and any adverse impact on candidates.

The plan must cover the following scenarios:

- the head of centre, relevant senior leader(s) with oversight of examination and assessment administration, SENCo/ALNCo, examinations officer or any other key staff essential to the examination process being absent at a critical stage of the examination cycle
- the potential impact of other events such as flooding which could lead to all or parts of the centre becoming unavailable
- potential issues with the centre's IT systems.

As part of their contingency plan centres must identify an alternative site if examinations cannot be conducted at the registered address. Larger centres may require more than one potential alternative site or different sites for different Year Groups.

The centre must have at least one senior member of staff (senior designated contact) who is available to manage emergency requests from awarding bodies that are results related during the summer holidays. However, a number of contacts can be provided to reduce the risk of this falling on one individual throughout the summer holidays.

The centre must ensure that candidates' work is backed-up and should consider the contingency of candidates' work being backed-up on two separate devices, including one off-site back-up. Centres must implement appropriate security arrangements which protect candidates' work in the event of IT system corruption and cyber-attacks.

Cyber security

(GR 3.20-21)

The head of centre must ensure there are procedures in place to maintain the security of user accounts by:

- providing training for authorised staff on the importance of creating strong unique passwords and keeping all account details secret
- providing training for staff on awareness of all types of social engineering/ phishing attempts
- enabling additional security settings wherever possible
- updating any passwords that may have been exposed
- setting up secure account recovery options
- reviewing and managing connected applications
- monitoring accounts and regularly reviewing account access, including removing access when no longer required
- ensuring authorised members of staff securely access awarding bodies' online systems in line with awarding body regulations regarding cyber security and the JCQ document *Guidance for centres on cyber security*
Authorised staff will have access, where necessary, to a device which complies with awarding bodies' multi-factor authentication (MFA) requirements.
- reporting any actual or suspected compromise of an awarding body's online systems immediately to the relevant awarding body

It is the responsibility of the **head of centre** to ensure that the centre:

Recruitment, selection, training and support

(GR 5.3)

- Provides fully qualified teachers to mark non-examination assessments, and/or fully qualified assessors for the verification of centre-assessed components

- Ensures that teaching staff do not use artificial intelligence (AI) as the sole means of marking candidates' work
- Enables the relevant senior leader(s), the examinations officer (EO) and the SENCo (or equivalent role) to receive appropriate training and support in order to facilitate the effective delivery of examinations and assessments within the centre, and ensure compliance with the published JCQ and awarding body regulations
- Ensures that the SENCo (or equivalent role) understands the JCQ document Access Arrangements and Reasonable Adjustments and is given sufficient time to manage the access arrangements process within the centre
- Ensures that the examinations officer understands relevant awarding body and JCQ documentation and has sufficient time to perform their role
- Ensures that any member(s) of the senior leadership team who are responsible for examination administration familiarise themselves with relevant awarding body and JCQ documentation (This will ensure the examinations officer and the SENCo are supported as well as ensuring effective centre decision making in line with the published regulations)
- Ensures that teachers understand the relevant awarding body and JCQ documentation for the qualifications they are delivering to ensure they are delivered in line with the relevant regulations

- (GR 1.9)
Understands that this responsibility for completing the Head of Centre declaration survey cannot be delegated to a member of the senior leadership team or the examinations officer, and acknowledges that failure to respond to the NCNR annual update, and/or the head of centre's declaration, will result in:

maintains internal records (that confirm the measures taken/protocols in place to mitigate any potential risk to the integrity of the qualifications affected) of all instances where:

- exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at this centre or other centres
- centre staff are taking qualifications at this centre which do not include internally assessed components/units*

Consideration may also need to be given to the centre's policy on sharing candidates' results and other exams related information with those with parental responsibility and third parties

Legislation on sharing information

Under the principles of the General Data Protection Regulations 2018 and the Data Protection Act 2018, children and young adults can assume control over their personal information and restrict access to it from the age of 13. This suggests that candidate consent should be sought to share results or other exams-related information with a third party.

Other legislation and guidance may need to be taken into account regarding sharing information with parents, as example information from the DfE for schools regarding parental responsibility and school reports on pupil performance:

- Understanding and dealing with issues relating to parental responsibility
www.gov.uk/government/publications/dealing-with-issues-relating-to-parental-responsibility/understanding-and-dealing-with-issues-relating-to-parental-responsibility
- School reports on pupil performance: guidance for headteachers
www.gov.uk/guidance/school-reports-on-pupil-performance-guide-for-headteachers

Publication of exam results

Refer to ICO (Information Commissioner's Office) Schools, universities and colleges information and Exam results

- a written equalities policy

Equalities Policy

A paper copy of the policy is located in the file marked 'Policies' above the EO's desk and a soft copy is available on the Academy website.

We would also refer to GR (5.4) **Access arrangements and reasonable adjustments**

- a written contingency plan which covers all aspects of examination/ assessment administration and delivery

Contingency Plan

A paper copy of the policy is located in the file marked 'Policies' above the EO's desk and a soft copy is available on the Academy website.

- a written internal appeals procedure which must cover at least appeals regarding internal assessment decisions, access to post-result services and appeals, and centre decisions relating to access arrangements and special consideration

Internal Appeals Procedure

A paper copy of the policy is located in the file marked 'Policies' above the EO's desk and a soft copy is available on the Academy website.

We would also refer to GR (5.7) **Centre assessed work**, (5.13) **Post-results services and appeals**

- a written malpractice policy which covers all qualifications delivered by the centre. The policy must detail how candidates are informed and advised to avoid committing malpractice in examinations/assessments, how suspected malpractice issues should be escalated within the centre and reported to the relevant awarding body. It must also acknowledge the use of AI (e.g. what AI is, when it may be used and how it should be acknowledged, the risks of using AI, what AI misuse is and how this will be treated as malpractice).

Malpractice Policy

A paper copy of the policy is located in the file marked 'Policies' above the EO's desk and a soft copy is available on the Academy website.

We would also refer to the JCQ document **AI Use in Assessments: Protecting the Integrity of Qualifications** (<http://www.jcq.org.uk/exams-office/malpractice>) with reference to the centre's malpractice/plagiarism policy to acknowledge the use of AI (e.g. what it is, the risks of using it, what AI misuse is, how this will be treated as malpractice, when it may be used and how it should be acknowledged)

- a written policy regarding the management of non-examination assessments including controlled assessments and coursework. (For CCEA GCSE centres this would be a written controlled assessments policy)

Non-examination Assessment (including controlled assessments and coursework) Policy

A paper copy of the policy is located in the file marked 'Policies' above the EO's desk and a soft copy is available on the Academy website.

We would also refer to GR (5.7) **Centre assessed work**, NEA (1) and the JCQ document **AI Use in Assessments: Protecting the Integrity of Qualifications** (<http://www.jcq.org.uk/exams-office/malpractice>)

- a written whistleblowing policy

- **Whistleblowing Policy (Exams)**

A paper copy of the policy is located in the file marked 'Policies' above the EO's desk and a soft copy is available on the Academy website.

Word Processor Policy (Exams)

A paper copy of the policy is located in the file marked 'Policies' above the EO's desk and a soft copy is available on the Academy website.

We would also refer to AARA (5.8)

Access arrangements and reasonable adjustments

(GR 5.4)

The head of centre/senior leadership team will:

- appoint a SENCo, or an equivalent member of staff, who will coordinate the access arrangements process within the centre and determine appropriate arrangements for candidates with learning difficulties and disabilities, candidates for whom English is an additional language, as well as those with a temporary illness or temporary injury
- ensure that learners have the correct information and advice on their selected qualification(s) in an accessible format and that the qualification(s) meet their needs (The recruitment process must include the centre assessing each potential learner and making justifiable and professional judgements about the learner's potential to complete the examinations/assessments successfully and achieve the qualification(s). The centre's assessment must identify, where appropriate, the support that will be made available to the learner to facilitate access to examinations/assessments)
- recognise its duties towards disabled candidates, including private candidates, ensuring compliance with all aspects of the Equality Act 2010[†], particularly Section 20 (7) (This must include a duty to explore and provide access to suitable courses, through the access arrangements process submit applications for reasonable adjustments and make reasonable adjustments to the service the centre provides to disabled candidates. Where the centre is under a duty to make a reasonable adjustment, the centre must not charge a disabled candidate any additional fee in relation to the adjustment or aid)
[†]or any legislation in a relevant jurisdiction other than England and Wales which has an equivalent purpose and effect
- ensure that the SENCo undertakes the necessary and appropriate steps to gather a picture of need and demonstrate normal way of working for a private candidate such as a distance learner or a home educated student (The centre, where required, must lead on the assessment process. The candidate must be assessed by the centre's appointed assessor. In some instances, depending on their needs, the candidate may have to be assessed away from the centre, for example at home. The centre must comply with the obligation to identify the need for, request and implement access arrangements)
- ensure that where a candidate with a learning difficulty requires an assessment of their needs, they are assessed by an appropriately qualified assessor as appointed by the head of centre (Evidence of the assessor's qualification(s) must be obtained before they assess candidates and held on file for inspection)
- have a written process in place to not only check the qualification(s) of their assessor(s) but that the correct procedures are followed as in Chapter 7 of the JCQ document *Access Arrangements and Reasonable Adjustments*

Access Arrangements Policy

A paper copy of the policy is located in the file marked 'Policies' above the EO's desk and a soft copy is available on the Academy website.

There is no specific JCQ regulation that refers to a 'policy' requirement in this respect though it would be good practice to bring all aspects of the process together in one place thereby confirming the centre complies with GR (5.4) **Access arrangements and reasonable adjustments**

Such a policy would also provide the opportunity to record the qualification(s) of the appointed assessor(s) and that the correct procedures are followed

- assist the awarding bodies in the discharge of their duty to make reasonable adjustments by requesting access arrangements, where required, and fully support the SENCo in effectively implementing those arrangements once approved

Malpractice

(GR 5.11)

The centre will:

- take all reasonable steps to prevent the occurrence of any malpractice (which includes maladministration) before, during and after assessments have taken place
- inform the awarding immediately of any alleged, suspected or actual incidents of malpractice or maladministration, involving a candidate or a member of staff, by completing the appropriate documentation
- as required by an awarding body, ensures evidence of any instances of alleged or suspected malpractice (which includes maladministration) is gathered in accordance with the current JCQ document *Suspected Malpractice - Policies and Procedures* and provides such information and advice as the awarding body may reasonably require
- (GR 6.2) Ensures any person involved in administering, teaching or completing examinations/assessments is advised that where malpractice is suspected, or alleged, personal data about them will be provided to the awarding body (or bodies) whose examinations/assessments are involved. Personal data about them may also be shared with other awarding bodies, the qualifications regulator or professional bodies in accordance with the JCQ document *Suspected Malpractice – Policies and Procedures*

Personal data, freedom of information and copyright

- (GR 6.6, 6.8)
- It is the responsibility of centres to inform candidates of the processing that the centre undertakes. For example, that the centre will provide relevant personal data including name, date of birth, gender to the awarding bodies for the purpose of examining and awarding qualifications.
- Materials which are submitted by candidates for assessment may include any form of written work, audio and visual materials, computer programmes and data ("Student Materials"). Awarding bodies may use the Student Materials to evaluate candidates' performance in the relevant assessment. They may also use the Student Materials for other purposes as outlined in their privacy policies and in accordance with their terms. Candidates should be directed to the relevant awarding body's privacy notice if they require further information about how their Student Materials may be used by the awarding body.

Where a centre or third party is in possession of any Student Materials for the purposes of candidate

Exams officer (EO)

- Understands the contents of annually updated JCQ documents including:
 - General Regulations for Approved Centres

- A guide to the special consideration process
- Completes/submits the National Centre Number Register annual update (administered on behalf of the JCQ member awarding bodies by OCR <https://ocr.org.uk/administration/ncn-annual-update/>) by the end of October every year to confirm the centre's contact details or informs of any changes ((and follows the process (in GR 5.3) if any changes occur after the annual update has taken place)

- Supports the head of centre in ensuring that awarding bodies are informed (where required) of any conflict of interest declared by members of centre staff and in maintaining internal records that confirm the measures taken/protocols in place to mitigate any potential risk to the integrity of the qualifications affected before the published deadline for entries for each examination series
- Briefs other relevant centre staff where they may be involved in the receipt and dispatch of confidential exam materials on the requirements for maintaining the integrity and security of confidential examination/assessment materials

Senior leaders

- Are familiar with the contents, refer to and direct relevant centre staff to annually updated JCQ documents including:

Why have a policy on this?

Centres will likely have different strategies for dealing with unauthorised absences from exams. Having a documented policy ensures:

- candidates are aware of what they need to do if they are likely to be absent from an exam

The EO runs through the candidate information, making sure to remind them of the mobile phone and watch policy. The EO also checks their water bottles and runs through any details from the front of the script.

The invigilator in the room completes either a late or very late arrival form as well as updating the seating plan and examination log. The candidate is told the awarding body will decide if their script will be marked or not.

Refer to [ICE](#) (21)

Permitting candidates who arrive after the start of an exam to enter the exam room and sit the exam is at the centre's discretion

Refer to ICE (section 23)

Why have a policy on this?

Allowing time to be compensated where a candidate leaves the exam room temporarily, accompanied by a member of centre staff, is at the discretion centre. Having a documented policy ensures:

- candidates are aware of the centre's arrangements where time may or may not be compensated for any temporary absence from the exam room
- staff involved in the exams process understand how this will be managed at the time of the exam
- the centre can demonstrate the policy if asked/challenged by a candidate (and/or parent/carer)

Exams officer

- Ensures exam rooms are set up and conducted as required in the regulations
- Provides invigilators with appropriate resources to effectively conduct exams
- Briefs invigilators on exams to be conducted on a session by session basis (including the arrangements in place for any transferred candidates and access arrangement candidates)
- Ensures sole invigilators have an appropriate means of summoning assistance (if this is a mobile phone, instructs the invigilator that the mobile phone is only allowed to be used for this specific purpose and that it must be kept on silent mode)
- Ensures invigilators understand they must be vigilant and remain aware of incidents or emerging situations, looking out for malpractice or candidates who may be in distress, recording any incidents or issues on the exam room incident log
- Ensures invigilators understand how to deal with candidates who may need to leave the exam room temporarily and how this should be recorded on the exam room incident log
- Provides authorised exam materials which candidates are not expected to provide themselves
- Ensures invigilators and candidates are aware of the emergency evacuation procedure
- Ensures invigilators are aware of arrangements in place for a candidate with a disability who may need assistance if an exam room is evacuated

Senior leaders

- Ensure a documented emergency evacuation procedure for exam rooms is in place
- Ensure arrangements are in place for a candidate with a disability who may need assistance if an exam room is evacuated
- Ensure a procedure is in place in case of an emergency evacuation (lockdown)

- **Emergency Evacuation Policy (Exams)**

A paper copy of the policy is located in the file marked 'Policies' above the EO's desk and a soft copy is available on the Academy website

Irregularities

Head of centre

- Ensures (as required by an awarding body) any cases of alleged, suspected or actual incidents of malpractice or maladministration before, during or after examinations/assessments (by centre staff, candidates, invigilators) are investigated and reported to the awarding body **immediately**, by completing the appropriate documentation

Managing Behaviour Policy (Exams)

If a candidate is misbehaving in any way an invigilator will speak to them in the first instance and remind them that all behaviour is marked on the exam log and seen by the EO who will in turn inform the relevant awarding body who reserves the right to disqualify candidates. If the behaviour continues the invigilator will contact the EO who will remove the candidate from the exam room if this is deemed the necessary action.

Refer for prompt to ICE (24)

Why have a policy on this?

Having a documented policy/procedure on how behaviour in exam rooms is managed ensures staff conducting exams understand the process to be followed and candidates are aware of the possible consequences of any disruptive actions

Senior leaders

- Ensure support is provided for the EO and invigilators when dealing with disruptive candidates in exam rooms
- Ensure that internal disciplinary procedures relating to candidate behaviour are instigated, when appropriate

Exams officer

Invigilators
