Dear Parents and Carers,

**RE: PSHE**

As part of your child's education at Bexhill Academy we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives young people the knowledge, understanding, strategies and practical skills to live safe, healthy, productive lives and meet their full potentials.

PSHE education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and governing body. Please visit the school's website for more detail about our PSHE curriculum. All PSHE teaching takes place in a safe learning environment and is underpinned by our school ethos and values.

We value your input in regards to PSHE and would be most grateful if you could complete the attached form so we can diverse a more bespoke PSHE curriculum specifically for our students.
