25 February 2019

Dear Parents/Carers

FINAL YEAR 11 PARENTS EVENING MOCK 2 ANALYSIS – THURSDAY, 14 MARCH 2019

We look forward to all of our Year 11 Parents and Carers attending our final Year 11 subject teacher Parents Evening from 4pm – 7.30pm on Thursday 14 March.

As per my December Parents Evening letter, teachers and students in Year 11 have put in an inordinate amount of work over the last few weeks preparing for the their 2nd and final set of Mock exams. These have now been marked and now the important follow up happens.

This evening gives you the opportunity to talk to individual teachers to discuss their mock grades, what went well and what they need to focus on for the future for success in their summer exams, which occur in earnest from mid-May. Only 10 working school weeks away!

Once again, there is much going on in the classroom and after school to support your child (that will be clearly highlighted in the meetings), but of equal importance is what your child needs to be doing during independent study at home. The most successful students find out what they need to work on and ensure they cover it as extra study.

All students will be given appointment cards by Thursday 28 February and should make a series of 5 minute appointments on your behalf with their subject teachers. Please do inform your child of a suitable time frame you'd ideally like to make, so they can try and make appointments within that window.

We look forward to welcoming all of you and thank you in advance for supporting us as a school to get the very best for your child.

Yours sincerely

Mr P Mendela
Vice Principal
