Dear Parents and Carers

RE: 2 Day Deep Clean

I am writing to inform you that due to the additional cases of Covid-19 identified by the school over the last few days, the senior leadership have taken the decision this evening to close the building for all students for two days. This is for the purpose of undertaking a deep clean of all classrooms and social spaces.

During the remainder of the week, lessons will continue to be delivered as normal on-line via google classroom. Please support your child to access this virtual classroom during normal school hours. Teachers will be available for students to contact via google classroom.

Thank you for your support and encouragement during this period. Please stay safe and look after each other.

I will send an update to you on Friday regarding the position and any further measures.

Warmest wishes

Catherine Davies
Executive Principal
