

Hello,

I am Ms Adams and I'm going to be your new tutor. I have been teaching at Bexhill Academy for nearly a year. However, I have been a teacher for a very long time. The last school I worked in was the BRIT School where I did a lot of managing. My husband and I decided to retire a couple of years ago and move to the sea. Living by the sea is wonderful but I missed the buzz of being around young people so I came back to work!

What do I like doing? Well, throughout Lockdown I've been improving my baking skills - I make a mean Bakewell tart now. In normal times I try to get to the gym once or twice a week to keep up my fitness levels. I love being creative and my passion is decorating my new home; I get lost in thinking about that. My husband and I collect music and I love to dance, I'm a bit of a crazy dancer! I'm learning to be a gardener again and, as an English teacher, of course, I love reading.

I have a medium sized family of three children and three grandchildren, but my biggest baby these days is my rescue cat called Jessi-Bess. She's really spoiled, in fact, she rules the house!

So that's enough about me. I would like to get to know you a little better. What are your favourite things? What do you enjoy doing in your spare time? What are your favourite subjects? Have you got any pets? Do you have any brothers or sisters? Do you have any responsibilities outside of school?

What makes you unique? I'd love to receive a letter from you...

I expect moving from your primary school into your new secondary school feels very exciting but also a little bit worrying. Try not to worry too much, this is a lovely school. I'll get to see you every day and I'll help you to settle in.

I look forward to meeting you soon.

Kind regards,  
Ms Adams
