

Hello,

My name is Mrs Anderson and I would like to take this opportunity to introduce myself as your form tutor. I joined Bexhill Academy in 2002 as an Art teacher but I now manage the Autism Facility. As an experienced member of staff I understand the transition from primary to secondary can be worrying but let me reassure you we are here to help you. I have been a form tutor for 15 years and it's the highlight of my job as I get to see you every day.

I have many interests and hobbies. I enjoy regular hula hooping, travelling to America and spending quality time with my 14 year old daughter. I love theme parks and fast roller coasters. I have also enjoyed swimming with dolphins, flying in a hot air balloon, being on patrol in New York and seeing my favourite band Coldplay in Miami.

I'm sure you have many interests and exciting stories to tell me. I would really like to get to know you better. What's your favourite band/singer? Do you have pets? What primary school did you attend? Do you enjoy sport or attend any outside clubs? What's your favourite book or movie?

I look forward to meeting you all in person soon.

Take care,

Mrs E Anderson
