

ATTENDANCE NEWSLETTER

Term 3 Newsletter 2017

Medical or Dental Appointments

When arranging medical or dental appointments please ensure where possible that they are during **out of school hours**

Where this is not possible, the student should only be out of school for the minimum amount of time necessary for the appointment.

Parents are requested to supply evidence of the medical or dental appointment by way of appointment cards etc.

Absence due to illness

Parents are required to notify the school on the day their child is unable to attend due to illness

The Academy may request parents to provide medical evidence to support illness which can take the form of appointment cards, prescriptions, consultant letters etc. rather than **doctors' notes**.

HOUSE ATTENDANCE	
CAMBRIDGE	92.6%
HARVARD	93.7%
IMPERIAL	94.7%
OXFORD	92.8%
YALE	95%

Not every illness needs to keep your child from school.

Using common sense, ask yourself the following questions:

Is my child well enough to do the activities of the school day?	If yes, send your child to school
Does my child have a condition that could be passed on to other children or school staff?	If no, send your child to school.
Would I take a day off work if I had this condition?	If no, send your child to school.

Ambassadors:

Lauren Yates Yr 8, Charlotte Marker Yr 8

Matthew Bartlett Yr 9, Jack Lucas Yr 9,

Iowa Cook Yr 9, Georgia Beckham Yr 10

Thomas Knight Yr 10, Gemma Anderson Yr 10

Leah Barrett Yr 10 and Amelia Busby Yr 10

Off to a good start!

1. Waking up ready to go - start the night before. Do as much of your morning preparation as possible, lay out clothes, prepare your breakfast and lunch or at least set the menu. Pack your bag, pe kit if necessary, coat, timetable, keys etc. and put in the same place so you don't need to hunt for them. Save your morning time for the day ahead.
2. Get up in plenty of time and get moving. Place your alarm clock away from the bed so you have to get up and walk to it. Drink a glass of water as this helps counteract night-time dehydration which can cause lethargic body and mind.
3. Eat a healthy breakfast. Some say this is the most important meal of the day. Free toast is available from 7.45am for all students at school.
4. Leave the house in plenty of time to arrive at school in time to start promptly. Registration starts at 8.30am and students are required to be in their classrooms by 8.30am.
