

ATTENDANCE NEWSLETTER

Terms 1 and 2 2017/18

Bexhill Academy have launched a new Safeguarding System where we may drive to houses in the school minibus when students are not in school with no reason for absence.

On Monday 9 October 2017 we launched our Get Smart Week, raising awareness of attendance and punctuality. We are pleased that our attendance rates have improved on last year. We would like all students to achieve 100% attendance so they have an uninterrupted run of learning. Whilst we appreciate that some absences cannot be avoided, please remember to ask the Question, "What did I miss while I was absent and how can I catch up?"

During the Get Smart Week we rewarded students by holding a 100% attendance raffle where two students per house won an Amazon Voucher.

Source Skate Park in Hastings also donated 70 free entry and free hire of equipment vouchers which we awarded to students that had 100% attendance for each week leading up to the Get Smart Week.

Winning Tutor Groups also received prizes to share.
