

English GCSE Boot Camp

PGL outdoor centre March 2019

This year we took 27 students to PGL for a mixture of outward bounds and GCSE revision. Running from Friday evening to Sunday afternoon the programme included camp fires, zip wires, quality accommodation and most of all input from 3 qualified AQA examiners including Dr Hutchinson (Director of English), Ms. Simon (Assistant Head), Ms. Skidmore (Deputy Director of English) and Ms. Husher. This senior team of educators delivered a wide ranging programme covering new material not covered in school. It was a superb weekend and much progress was made. Using the metaphor of the trapeze, motivational talks focussed on letting go of low expectations and stretching for level 5 and above.
