

Hello!

My name is Mr. Lewis and I am excited to write to you to tell you that I will be your new tutor at Bexhill Academy! I have been at the school for 2 years and I am the Head of Music. I have worked in a few different schools but I can honestly say this is the best! You will love it here. There are so many exciting new things to discover. I really hope you like music? I'm sure you do! I am looking forward to hearing what your favourite musicians and songs are!

I like to do many different hobbies in my spare time. I really enjoy playing in gigs and concerts with my band. I wonder if you can have a guess at what instrument I play? You'll have to let me know your guesses! I also really like running and keeping fit. I run about 4-5 times a week and have done many races like half marathons. I was training to run the London Marathon but unfortunately it has been postponed. I am hoping to run this soon in October. I have a son who is nearly 3 years old and a little white dog called Ted (he's very naughty!). I love spending time with them.

However, what I like is nowhere near as exciting as what you like to do! I would love to know a little bit more about you and would love to receive a letter back from yourself. You could answer some of the these questions.

What are your favourite things to do? What do you like doing in your spare time? Do you have a favourite subject from primary school? I wonder if you have any pets and/or brothers and sisters? Do you go to any clubs outside of school? What makes you unique?

I can't wait to meet you soon!

Mr. Lewis
