PIXL TIMES TABLE APP HOW WELL DO YOU KNOW YOUR TIMESTABLES?

The screenshot shows the PiXL Times Table App interface. At the top, the PiXL logo is on the left and a 'Results analysis' button is on the right. Below this, there are four main activity sections, each with a large number '1' and 'Times table' text, and a 'Begin activity' button. The first section is 'KNOWLEDGE' with the subtext 'Practice (no time limit)'. The second is 'TIME ATTACK' with the subtext 'Beat your best times!' and a 'Earn trophies' icon. The third is 'THE CHECK' with the subtext '25 timed questions' and a 'Earn trophies' icon. The fourth is 'TROPHIES' with the subtext 'Your rewards system' and a 'View' button. At the bottom, there is a 'RAFT RUN' section with a cartoon character in a raft and a 'Begin activity' button. The bottom of the screen contains copyright information: 'Copyright © 2002-2015 The F66 Club, Version 3.00. Developer: Matt Woodrow, iOS VWR 22.01.2015' and a 'Privacy Policy' link.
