‘Come and join our fantastically supportive school, working in a brilliant department with superb facilities’

Temporary Teacher of Computer Science (Maternity Cover)

September 2019 start

- Able to confidently teach Computer Science at KS3?
- Have the desire to teach in the best facilities around?
- Want to make a real difference to the life chances of students in Bexhill?
- Resilient, reliable and a confident teacher?

We are looking to appoint a well-qualified and experienced teacher of computer science to cover the teaching load of the head of department who will be taking maternity leave from September. The Deputy Head of Department will be taking charge from September and will be there to offer the support and advice you need.

Start: September 2019

Closing Date for applications: Monday 3rd June 2019 (please do contact us if your resignation date is looming)

For an informal chat or visit please contact the Director of Science (and Computer Science) at Hannah.Butcher@Bexhillacademy.org

Please see our recruitment pack available on our website www.bexhillacademy.org under ‘community’ and then ‘vacancies’ for more details

Bexhill Academy is committed to safeguarding and promoting the welfare of children and young children, therefore all positions are subject to an Enhanced Disclosure and Barring Service check (DBS).

Please note that we do not accept CV’s or Agency referrals – please use the academy application form.

Introduction from the Vice Principal: Paul Mendela

Temporary Position: Maternity Cover

Computer Science Teacher: Mainscale

September 2019 start

Dear candidate

Welcome!

Thank you for taking the time to consider our school.

We were recently judged by Ofsted (May 2017) as Good in all areas. We are relentless in our pursuit to improve the life chances of all students in the local area. You will be joining us at a pivotal time where we really are consolidating our approach.

Computer Science, as you will be aware, is an important 'bucket 2' option choice. Our KS3 programmes of study are ensuring that students are well placed to take it as an option at KS4. You may come from an 'IT' background, having re-trained on the job. This is absolutely fine as long as you know the GCSE Computer Science curriculum and how to assess, monitor and track students for successful outcomes.

As a school we have adopted the new 9-1 GCSE methodology across year 7-11, so all work is assessed and reported as such. This year the whole school will be adopted a 3 year GCSE programme of study.

The Job:

- This post is to cover to Head of Computer Science (teaching load not responsibility) who is on Maternity leave from September 2019
- You will predominantly be teaching a KS3 curriculum, as the Deputy Lead will be taking the KS4 next year
- The department is well resourced with an excellent SoW and PowerPoint's to enable easier planning

As school we offer a supportive environment, free onsite gym and a staff attendance reward scheme that will see you able to access events, sports classes and trips/visits.

If you'd like to get in touch please contact Hannah.butcher@bexhillacademy.org the Director of Science (senior teacher in charge of Science and Computer Science)

Note: Should you be considering this post and have a resignation date looming, please get in touch to talk to us.

As a reminder the closing date is:
Monday 3rd June 2019

We look forward to hearing from you

Paul Mendela
Vice Principal
