Uniform and Jewellery Policy – Supporting School Value: FOCUSED

At Bexhill Academy we have 4 main values that underpin our motto of ‘Be Remarkable’.

- Focussed
- Aspirational
- Independent
- Resilient

In order to achieve our goal, it is imperative that students actively support our value of being **FOCUSED**. We are proud of our uniform. Our uniform represents our five houses which have a focus of **aspirational** universities. All students being in correct uniform demonstrates high expectations and standards.

Students and parents have been informed of the expectations for uniform and a copy appears on our website. Reminders are communicated to parents and carers to re-enforce our high expectations on uniform.

Members of the SLT along with members of our Pastoral teams will be on duty every morning to address uniform issues. Students will not be allowed in the building if they are not in correct uniform. If students have incorrect uniform the Pastoral Manager team will contact home, and where possible students will be sent home to correct their uniform. Where going home is not appropriate students will be given the correct uniform to wear. Students can wear a coat to school, but this must be taken off when entering the building.

The Academy’s uniform comprises of the following items:

JEWELLERY/MAKE UP

No jewellery should be worn to school apart from a watch and one small set of studs in the lower ear lobe. No facial piercings are allowed in school. Should a student be wearing inappropriate jewellery to school the student will be asked to remove the jewellery and this will then be confiscated. This will be returned to the student at the end of the day. Repeat offenders will have their jewellery confiscated until the end of term unless parents have collected it and agreed the student will no longer wear it in school. Students will be asked to remove inappropriate make up. Behaviour points will be given.

Make-up should not be worn in Years 7 and 8 and discreet in Years 9, 10 and 11. Where it is not appropriate students will be asked to remove the make-up. Students should not wear false eye lashes for school. False nails are not accepted at school, students will be asked to have these removed. Nail varnish can be worn, but no jewels within the nails.

Only natural hair colour is allowed for school.
