

YEAR 10

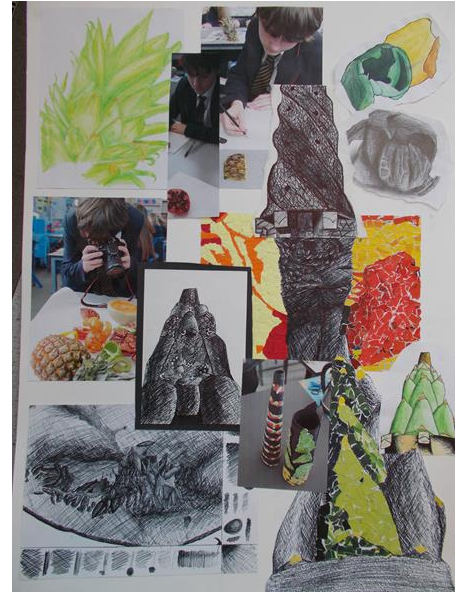

TEAM ART!

Year 10 have been working on their exam title 'Fragments' with Miss Baker. We have been studying and drawing real fragments of fruit and then using Gaudi to create and be inspired by fruit in the mosaic style. Here are some examples of some A2 sheets that we have been working on since January. A wide range of materials and techniques have been explored. An incredible effort by all of the students below. I am a super proud teacher. Well done team Art, Year 10: Annabelle Rushby, Megan Mitchell, Aleysha Cook, Jack Whitehead, Annabelle Prince, Abby Beach.
