

10 September 2019

Dear Parent/Carer

## **YEAR 11 INFORMATION AND ADVICE EVENING – THURSDAY, 19 SEPTEMBER 2019 6.30pm – 7.45pm**

This September sees the beginning of a vitally important year for your son or daughter who is entering Year 11 and finalising their GCSE studies. I am therefore delighted to invite you to attend an Information and Advice evening on Thursday, 19 September 2019, starting at 6.30pm for Year 11. There is a presentation in the Theatre at 7.00pm to support you with specific information from the Core departments of English, Maths and Science.

The purpose of the evening is to outline the important information and events that will affect your child in their final year of GCSE. This will include clarification on the key curriculum issues and timetable of assessments throughout Year 11. We will identify how parents can support teaching and have staff available should you wish to ask questions related to all areas of the curriculum.

In addition to this, staff from our local Colleges and sixth form providers will also be in attendance. This will give you the opportunity to identify the types of provision and courses on offer post 16 across the whole area.

The Information Evening will provide a valuable opportunity to understand the exam requirements for your child, as well as to assist you in helping prepare them fully to meet the challenges that lie ahead in their final year at Bexhill Academy. This evening is also being offered to Year 9 parents who have children starting GCSE courses. They have been invited to talks in the Theatre earlier in the evening focussed round their new courses.

I look forward to seeing you on what I am sure will be a very informative and productive evening.

Yours sincerely

Vicky Norris-Wright  
Head of Academy
