Dear Parents and Carers,

**RE: Important information: Outstanding HPV vaccination**

YEAR 8 HPV VACCINATION PROGRAMME - Important information for parents/carers

The Immunisation Service are coming into school on **Tuesday 30/01/2024** to offer your child the **HPV** (Human Papillomavirus) vaccination.

Contained within this email are the following documents:

- **A parent letter** – containing vaccination information and instructions on how to complete the online consent form. Please complete a form to either consent or refuse to your child receiving this/these vaccination(s). **The online consent form is available for completion until 11am three working days before the session date above.**

If you have more than one child in the same year group, but they do not attend the same school site, you will receive a separate letter from each school site, to consent for each child, prior to their school's vaccination session. Please use the correct school code for each child.

- **How to consent to HPV vaccinations guide** – a pictorial guide to completing the online consent form.

If you have any difficulties completing the online consent form, please contact your local Immunisation Team before the cut-off date, using the telephone number provided in the attached letter, or, ask your school to notify the Immunisation Team so that we can contact you directly.

**If you miss the cut off time to complete the consent form, we will not be able to vaccinate your child in school on the day of the vaccination session.** The consent form will reopen one working day after the session, enabling you to submit a form for your child to be offered the vaccination, within one of our catch-up clinics.

Please note that if we do not receive a consent form to consent or refuse to the vaccination(s) being offered, we will continue to contact you to complete a form to receive the vaccination(s) at a later date.

Kind regards
