Dear Parents/Carers

### Reporting a safeguarding concern

Bexhill Academy are pleased to announce the availability of My Voice on our website. My Voice (provided by the Safeguarding Company) is an open access reporting system that empowers parents, students and members of the community to report safeguarding concerns regarding any child in our Academy.

We believe that by providing secure access for reporting safeguarding concerns, will assist early intervention, embed an open culture of safeguarding in the wider community and will help us provide support for anyone that needs it.

The link on the website enables parent/carers, external agencies or current students to report concerns about any student attending Bexhill Academy and can be found:

Bexhill Academy takes seriously its responsibilities to protect and safeguard the interests of all children. We recognise that effective child protection requires sound procedures, good inter- agency co-operation and a workforce that is competent and confident in responding to child protection situations.

Safeguarding is everyone's responsibility (KCSIE 2023)

If you have any questions about this please contact the safeguarding team on [dsl@bexhillacademy.org](mailto:dsl@bexhillacademy.org)

Kind regards
