Year 9 University Visits

Bexhill has the exciting opportunity to take a number of Year 9 students to visit Brighton University at the Eastbourne campus and your son/daughter has been selected to attend this trip. The trip is a **compulsory** element of the curriculum. The idea of the visit is to enable pupils to make an informed decision about whether or not they might wish to attend university in the future and to raise their aspirations. This trip has been organised in conjunction with Compact Plus, which is a programme designed to support students through activities, advice and impartial guidance, from primary school age through to graduation and beyond.
