

## Disability Awareness Event

On Thursday the 17<sup>th</sup> of March, Kieran Green from Brighton and Hove Albion in the Community came in to deliver an assembly to the year 8's on Disability awareness. In the assembly Kieran discussed his disability 'cerebral palsy' and how he has changed his life and others through the sheer love of sport. During the assembly the children watched this video of our wonderful pupil CW who also has cerebral palsy '<https://www.youtube.com/watch?v=HAsEAixFluE>'.

Kieran then coached for an hour to a small group of pupils. The hour was very inclusive for our children who have special educational needs and/or disability (SEND). The session was hugely successful and inclusive.

We look forward to welcoming Kieran back in the future.

Thank you

Miss Burdett and Miss Clayton
