Do you know a lesbian, gay, bisexual, trans young person or a young person who is questioning their sexuality and/or gender identity?

The groups provide a safe and inclusive space for young people aged 13 to 19 to come together with other LGBT or questioning young people.

The groups:

- Offer support around lots of topics including bullying, health, coming out, relationships, school/college, friends and family.
- Help young people make new friends.
- Put on social events.
- Help young people learn more about their LGBTQ community.
- Have safe internet access.
