

“Be Brilliant Today”

Science ECT
Required for September 2023

Calling all current PGCE students and ECT 1's. We have a fantastic opportunity to join a supportive and ambitious science department. Are you looking to develop into an outstanding teacher in a supportive and encouraging atmosphere? If so, the science department at Bexhill Academy is for you! Always looking to develop new talent, the science department is looking to appoint a dynamic and inspirational teacher who is full of potential.

The science department has a track record of supporting ECT's and allowing them to progress in their careers. Bexhill Academy offers brilliant opportunities for new teachers to develop their practice, further their careers, and promote science to the local community.

This is what current ECT's within the department have said about their time so far within the department:

“My ECT time at Bexhill Academy has been very beneficial for my growth as a teacher. I have received lots of support from my department and felt welcomed at all times. My professional tutor has always been willing to offer inputs and guidance and support me through processes not covered by my PGCE. My mentor and I receive weekly slots to talk about my progress.” Ben Knight (Teacher of Science, ECT 1, January 2023)

“I have been highly supported as an ECT at Bexhill academy. The science department are very supportive and there is always someone available for advice when needed. The ECT programme is great, there is a lot of support from the professional tutor, mentor and the other ECTs at Bexhill academy and it is also very easy to fit in alongside the teaching timetable.” Jess Cole (Teacher of Science, ECT 1, January 2023)

I have really enjoyed my time as an ECT at Bexhill Academy, and feel I have developed significantly in my time here. I have felt supported and guided through my ECT. After completing my ECT 1 I have been given the opportunity to lead in KS3 science. This has been a great opportunity to progress in my knowledge of curriculum building and managing a team. Oliver Mundell (Head of KS3 Science, ECT 2, January 2023)

Bexhill Academy can offer you:

- A supportive and experienced professional tutor.
- A mentor within subject to guide you in your teaching and pedagogy
- An ECT program that is thoughtfully designed and expertly delivered.
- A fantastic technician team, who can support in learning new practicals and developing your delivery of practical lessons.
- State of the art facilities, with nine dedicated science labs and a very extensive range of practical equipment.

We aim to recruit staff who:

- Are excited by their role and by the prospect of challenging young people to achieve their very best.
- Love the processes of teaching and learning and are keen to continually develop their own skills.
- Passionate about inspiring every child with self-belief and a love of Science.
- Recognise that teaching can be a demanding job and react positively to those demands.
- Will subscribe to the ethos of the Academy and be committed to get the very best from our students.
- Take every opportunity, in and out of the classroom, to talk to students, model expected behaviours and build positive relationships with all.
- Remain at the forefront of pedagogy, educational research and debate.
- See themselves as having the potential to become school leaders of the future.

Closing Date: 9.00am Tuesday 27th February 2023

Interviews: held soon after

We want to reassure applicants that effective measures have been implemented to ensure their health and wellbeing and the health and wellbeing of staff and students whilst on academy premises.

Please see our website www.bexhillacademy.org under 'community' and then 'vacancies' for more details. For an informal chat about the position or a pre application visit please feel free to contact Dan Russell, Director of Science, dan.russell@bexhillacademy.org

Please note that we do not accept CVs or approaches from agencies. Completed **Bexhill Academy teacher application forms** should be sent to academyhr@bexhillacademy.org

Bexhill Academy is committed to safeguarding and promoting the welfare of children and young children, therefore all positions are subject to an Enhanced Disclosure and Barring Service check (DBS).
